Version	1.0 Generated on 23 May 2026

1. Purpose of this Document

This document is shown from the registration page before a user proceeds with onboarding. It helps sellers and buyers keep the required information ready so that registration, OTP verification and document validation can be completed without delays.

Who should use this document

- Seller users registering a business, MSME, startup, LLP, partnership firm, company or proprietorship.
- Buyer users registering as Primary User (HOD), Verifying Authority (VA) or Primary User for Co-operative organisation.
- Admins or support staff who need to guide users during onboarding.

2. General Registration Rules

- Registration should be completed by an authorized person such as the Director, proprietor, partner, key person or authorized representative of the organisation.
- Keep Aadhaar linked mobile number ready wherever OTP based verification is required.
- Use an active email ID because OTP, status updates and registration communication may be sent there.
- Details entered in the portal should match official records such as PAN, GST, Udyam, DPIIT/DIPP and bank records.
- Clear consent should be provided before PAN, GST, Aadhaar OTP, Udyam or startup recognition verification is performed.
- Do not upload expired, unclear, cropped or password-protected documents unless specifically requested.

3. Registration Role Selection

Role	Available Type	Purpose
Seller	Proprietorship, Partnership Firm, Company, LLP, MSME, Startup	For businesses that want to onboard, list services/products, participate in procurement and get verified as vendors.
Buyer	Primary User (HOD), Verifying Authority (VA), Primary User (Co-operative)	For authorised users of buyer organisations involved in verification, procurement or administrative approval workflows.

4. Seller Registration Pre-requisites

Seller registration requires personal identity readiness and business verification details. The actual fields may change depending on the selected business or organisation type.

4.1 Required Personal Details

- Aadhaar number / Virtual ID and Aadhaar linked mobile number for OTP verification, OR personal PAN details with mobile number where applicable.
- Active personal email ID or company / organisation allotted email ID for OTP verification.
- Full name, mobile number and email should be entered exactly and carefully to avoid verification mismatch.

4.2 Required Business Details

- Business PAN details. For proprietorship, PAN validation may depend on the nature of the PAN and portal rules.
- Bank account number and IFSC. This may not be mandatory for specific schemes such as Vivad se Vishwas if the workflow allows exemption.
- Income Tax Returns of last 3 years. This is required for BID participation if the business is older than 24 months, subject to portal rules.
- Registered business address and contact details.
- Udyam number for MSME verification. This may be required for MSME benefits, EMD exemption in BID and Vivad se Vishwas workflows.

4.3 Optional / Conditional Details

- DPIIT / DIPP startup recognition number for eligible startup benefits and EMD exemption where applicable.
- GST number for inter-state business, tax verification and procurement compliance where applicable.
- CIN for companies, LLPIN for LLPs, partnership deed details for partnership firms, and other legal registration proofs depending on business type.

Business Type	Keep Ready
Proprietorship	Aadhaar / personal PAN, active mobile, active email, business PAN, bank details, registered address, Udyam if MSME, GST if applicable.
Partnership Firm	Partner / authorised person details, firm PAN, partnership deed, bank details, address proof, Udyam / GST if applicable.
Company	Director / authorised signatory details, company PAN, CIN / incorporation proof, GST if applicable, bank details, address proof, Udyam if applicable.
LLP	Designated partner / authorised person details, LLP PAN, LLPIN / incorporation proof, bank details, address proof, GST / Udyam if applicable.
MSME	Udyam registration number, enterprise name, PAN, GST if applicable, bank details, address and authorised person details.
Startup	DPIIT / DIPP recognition number, company / entity PAN, incorporation proof, GST if applicable, bank details and authorised person details.

5. Buyer Registration Pre-requisites

Buyer registration is intended for authorised organisation users such as Primary User (HOD), Verifying Authority (VA) and Primary User for Co-operative organisation.

5.1 Required Details for Buyer Users

- Aadhaar number.
- Active mobile number linked with Aadhaar for OTP verification.
- Active government email ID or organisation email ID. Prefer designation based email for government or department users.
- For Primary User (Co-operative), use active organisation email ID or whitelisted domain email ID accepted by the portal.
- Organisation name, department / office details, designation and role details as required in the registration form.

5.2 Important Buyer Notes

Buyer registration note

- Only non-buying roles such as Primary User (HOD) and Verifying Authority should register through this flow if the portal is configured that way.
- Users involved in procurement should contact the Primary User (HOD) of their organisation if their role needs to be created or mapped internally.
- Email domain whitelisting may be required before OTP verification is allowed.

Buyer User Type	Minimum Details to Keep Ready
Primary User (HOD)	Aadhaar number, Aadhaar linked mobile, designation based government / organisation email ID, department details and authorisation details.
Verifying Authority (VA)	Aadhaar number, Aadhaar linked mobile, official email ID, organisation / department details and verification role details.
Primary User (Co-operative)	Aadhaar number, Aadhaar linked mobile, active organisation email ID or whitelisted domain email ID, co-operative organisation details.

6. Field Format Quick Guide

Field	Expected Format / Guidance	Example
Mobile Number	10 digit Indian mobile number. Keep the same number active for OTP.	9876543210
PAN	10 characters in uppercase. Enter without spaces.	ABCDE1234F
GSTIN	15 characters. The PAN portion in GSTIN should match business PAN where applicable.	27ABCDE1234F1Z5
IFSC	11 characters. Usually first 4 letters are bank code, followed by 0 and branch code.	SBIN0001234
Udyam Number	Enter the Udyam registration number exactly as printed on the certificate.	UDYAM-XX-00-0000000
DPIIT / DIPP	Enter recognition number exactly as available on the Startup India / DPIIT certificate.	DPIIT recognition no.

7. Consent and Data Usage

Consent checklist

- User must accept that submitted information may be verified with authorised government or third-party verification services integrated in the portal.
- Information should be used only for onboarding, verification, procurement compliance, audit and fraud prevention purposes.
- Access to sensitive data should be restricted to authorised roles only.
- Audit logs should be maintained for verification requests and important profile updates.

8. Common Reasons Registration Fails

- PAN name, GST legal name, Udyam enterprise name or bank details do not match.
- Aadhaar linked mobile number is not available for OTP.
- Email ID is inactive or not from an accepted / whitelisted domain.
- Uploaded document is unclear, cropped, expired or password-protected.
- Incorrect business type selected during registration.
- GSTIN, PAN, Udyam number or startup recognition number entered with spaces or typing mistakes.

9. Final Checklist Before Clicking Proceed

Checklist Item	Seller	Buyer
Correct role / business type selected	Yes	Yes
Aadhaar / PAN details ready	Yes	Aadhaar required
Aadhaar linked mobile ready for OTP	Required where Aadhaar OTP is used	Yes
Active email ID ready	Yes	Official / whitelisted email preferred
Business PAN / registration proof ready	Yes	As applicable
GST / Udyam / DPIIT details ready	As applicable	Not usually required
Bank details and IFSC ready	As applicable	Not usually required
Consent checkbox accepted	Yes	Yes
