

Seller Onboarding – Pre-Requisites

JsgSmile MSME Portal — Jharsuguda Synergy for MSME and Industry Linkage Ecosystem

Official Pre-Requisites and Onboarding Guidance for Sellers and Enterprise Suppliers

1. Before You Begin

Welcome to the JsgSmile MSME Portal. Before initiating your seller registration, ensure you have all essential business identifiers, banking records, and scanned verification documents readily available.

Completing the onboarding process allows your enterprise to showcase products and services, participate in local public and private tenders, and access preferential procurement opportunities across Jharsuguda District and Odisha.

The onboarding process involves:

1. **Account Registration:** Creating your login credentials and verifying your official email address and mobile number.
 2. **Business Information Form:** Providing your tax identifiers, enterprise classification, office premises, and bank account details.
 3. **Document Submission:** Uploading clear, readable copies of mandatory and conditional verification certificates.
 4. **Final Verification:** Confirming ownership via a secure one-time passcode (OTP) and submitting your application for administrative compliance review.
-

4. Document Upload Guidelines

To prevent delays in your verification, ensure your uploads comply with the following portal rules:

- **Accepted File Formats:** PDF, JPG, JPEG, and PNG only.
- **Maximum File Size:** 10 MB per document file.
- **Clarity and Readability:**
 - Documents must be clear, complete, and fully legible.
 - Avoid blurred scans, skewed camera photos, or cropped edges.
 - Watermarks or security stamps should not obscure critical details like PAN, account number, or registration identifiers.
- **Document Validity:**
 - Certificates must be active and legally valid at the time of submission.
 - Address proofs should ideally be dated within the last 3 months (for utility bills).

- **Replacing Documents:** You may replace or re-upload documents at any point before final submission. Once submitted, changes require administrative correction request.
-

5. Verification & Approval

After you complete all sections and upload your verification documents:

1. **Ownership Passcode Verification:**

- You will request a 6-digit security code sent to your registered login email or mobile number.
- Enter the security code to authorize your final onboarding submission.

2. **Compliance Review:**

- Your application transitions to the **Under Compliance Review** stage.
- For data integrity, your profile details are locked while our administrative compliance officers inspect your documents and verify government registrations.

3. **Outcome Notifications:**

- **Approval:** Once verified, you will receive an official approval confirmation. Your vendor dashboard will unlock, granting you full marketplace listing privileges and tender bidding access.
 - **Clarification / Correction Needed:** If any document is unreadable or particulars require clarification, the administration will issue a correction request detailing the specific section that requires update.
 - **Rejection:** In cases of invalid credentials or ineligible entities, formal written feedback will be recorded in your dashboard.
-

6. Seller Pre-Submission Checklist

Use this practical checklist before starting or finalizing your submission:

7. Important Notes

- **Jharsuguda MSME Priority:** Enterprises operating with verified physical facilities in Jharsuguda District are tagged for local supplier priority under regional industrial linkage policies.
- **Threshold for Bidding & Large Orders:** Having an active GSTIN associated with your office facilities is required to qualify for supply contracts exceeding ₹40 Lakhs.
- **Accuracy of Payee Details:** Ensure the bank account name matches your registered business name or proprietor name exactly to avoid disbursement failures.

- **Single Business Account:** Each business entity PAN can only be registered once on the portal. Duplicate applications will be flagged during administrative compliance review.
