

Buyer Onboarding – Pre-Requisites

JsgSmile MSME Portal — Jharsuguda Synergy for MSME and Industry Linkage Ecosystem

Official Pre-Requisites and Onboarding Guidance for Institutional Buyers, Government Departments, and Industrial Enterprises

1. Before You Begin

Welcome to the JsgSmile MSME Portal. This portal serves as the official digital marketplace connecting institutional buyers—including Government Departments, Public Sector Undertakings (PSUs), Large Industrial Enterprises, and Project Authorities—with verified MSMEs and local producer collectives across Jharsuguda District and Odisha.

Completing buyer onboarding enables your organization to float tenders, post procurement requirements, execute direct purchases, discover local MSME suppliers, and fulfill statutory local procurement mandates.

The onboarding process involves:

1. **Account Registration:** Creating your institutional buyer profile and verifying your official email address and mobile number.
2. **Organization & Officer Profile:** Submitting your legal entity classification, registered office address, and designated procurement officer details.
3. **Procurement Preferences:** Indicating your target purchase categories, projected annual procurement budget, and preferred purchase mechanisms.
4. **Document Verification:** Submitting legal establishment records

and authority documentation.

5. **Final Declaration & Submission:** Authorizing your submission through a secure one-time passcode (OTP) sent to your official login email.
-

2. Information You Need to Provide

The buyer onboarding workflow is organized into clear sections. Prepare the following details prior to beginning:

Buyer & Authorized Representative Details

- **Representative Full Legal Name** — *Required:* Full name of the designated procurement manager, purchase officer, or executive authority.
- **Official Designation** — *Required:* Functional position held by the representative (e.g. Director, General Manager, Procurement Head, Purchase Officer, Executive Engineer, or specify custom title under *Others*).
- **Functional Department** — *Required:* Administrative department or division (e.g. Procurement / Purchase, Operations, Administration, Finance & Accounts, Civil Engineering, Stores & Logistics, or specify custom division under *Others*).
- **Official Email Address** — *Required:* Official organizational email address used for secure login and procurement correspondence.
- **Primary Mobile Number** — *Required:* Active 10-digit Indian mobile number for critical tender alerts and verification.
- **Alternate Contact Number** — *Optional:* Secondary telephone or mobile number for administrative contact.

Organization Information

- **Legal Organization Name** — *Required:* Official name of the government department, PSU, corporation, or enterprise.
- **Organization / Business Type** — *Required:* Legal structure of

the buyer entity (Government Department, Public Sector Undertaking, Private Limited Company, Public Limited Company, Limited Liability Partnership, Society / Trust).

- **Industry / Sector** — *Required*: Primary sector of operation (e.g. Mining & Minerals, Metal & Steel, Power Generation, Heavy Manufacturing, Infrastructure & Civil Construction, Public Administration).
- **Corporate Identification Number (CIN)** — *Optional*: 21-character corporate identifier for registered Companies and LLPs.
- **Official Website URL** — *Optional*: Official web portal address of the organization.

Business Address & Office Details

- **Country** — *Required*: Defaulted to *India*.
- **State** — *Required*: State or Union Territory of the registered or procurement office.
- **District** — *Required*: Administrative district (select *Jharsuguda* for local linkage).
- **City / Town** — *Required*: Municipal city or town name.
- **Postal PIN Code** — *Required*: Valid 6-digit Indian postal PIN code.
- **Registered Office Address** — *Required*: Physical address of the registered headquarters or primary procurement office.
- **Corporate / Billing Address** — *Optional*: Billing or administrative address if distinct from the registered office.

Government & Organization Identifiers

- **Permanent Account Number (PAN)** — *Required*: Mandatory 10-character government PAN of the buyer organization.
- **Goods and Services Tax Identification Number (GSTIN)** — *Optional / Recommended*: 15-character GSTIN of the buyer entity.
 - *Automated Verification Benefit*: Providing your active GSTIN allows the portal to automatically look up the national tax registry and pre-fill your legal entity name, registered office address, district, state, PIN code, and PAN.

Bank & Payment Information

- *Not required during initial onboarding:* Banking and escrow disbursement configurations are set up post-approval during tender publication, purchase order generation, or contract execution.

Procurement-Related Information

- **Target Procurement Categories** — *Required:* At least one product or work category your organization regularly purchases (e.g. Industrial Raw Materials, Plant & Machinery, Civil Construction Works, Electrical & Electronics, Safety Equipment & PPE, Chemicals & Lubricants, Logistics & Transportation, IT & Office Automation). You may add custom category tags if specific goods or services are not pre-listed.
- **Estimated Annual Procurement Budget** — *Required:* Projected annual purchasing volume through the portal:
 - ☐ < ₹10 Lakh
 - ☐ ₹10 Lakh - ₹50 Lakh
 - ☐ ₹50 Lakh - ₹2 Crore
 - ☐ > ₹2 Crore
- **Preferred Procurement Mechanisms** — *Required:* At least one purchase method your entity utilizes:
 - ☐ Direct Purchase / Rate Contract
 - ☐ L1 Lowest Price Bidding
 - ☐ Quality & Cost-Based Selection (QCBS)
 - ☐ Reverse Auction
 - ☐ Custom procurement mechanisms (can be specified if applicable)

Compliance & Legal Undertaking

- **Statutory Procurement Authority Declaration** — *Required:* Mandatory legal confirmation that the representative has been duly authorized by the competent institutional authority to initiate tenders, approve quotations, and enter into binding purchase agreements.

- **Portal Terms & Procurement Guidelines** — *Required:*
Acceptance of the portal's procurement facilitation policies, vendor verification standards, and dispute resolution guidelines.

3. Documents You Need

Have clear digital copies of the following documents ready prior to onboarding:

Document	Requirement	When It Is Needed	Purpose
Organization PAN Card	Required	Mandatory for all buyer entities (waived if organization is already verified on the portal)	Proves tax identity and legal entity name
Registration / Establishment Certificate	Required	Mandatory for all buyer entities (waived if organization is already verified on the portal)	Proves legal establishment (Certificate of Incorporation, Gazette Notification, Act of Legislature, or Society Registration)
Registered Office Address Proof	Required	Mandatory for all buyer entities (waived if organization is already verified on the portal)	Verifies physical operating address (Electricity bill, Lease agreement, Land registry, or Official tax bill)

GST Registration Certificate	Conditional	Mandatory if your organization is registered under GST and claims input tax credit	Validates GSTIN authenticity and active tax status
Official Authorization Letter	Conditional	Mandatory if representative is acting under delegated authority (or requested by policy)	Board Resolution, Delegation of Financial Powers, or Power of Attorney authorizing the officer

4. Document Upload Guidelines

Please observe the following portal upload standards to avoid verification delays:

- **Accepted File Formats:** PDF, JPG, JPEG, and PNG only.
- **Maximum File Size:** 10 MB per document file.
- **Legibility and Presentation:**
 - Scanned copies must be sharp, right-side-up, and fully readable.
 - Seals, official signatures, entity registration numbers, and dates must be clearly discernible.
 - Avoid photographing documents in low light or at extreme angles.
- **Pre-Verified Organization Exemption:**
 - If your enterprise or department has already completed institutional verification, document upload requirements for entity PAN, registration certificate, and address proof are automatically marked as verified and waived.

- **Document Replacement:** You may replace or remove uploaded files at any time before final submission.
-

5. Verification & Approval

After completing all sections and uploading required documents:

1. **Submission Passcode Verification:**
 - You will request a 6-digit authorization code dispatched to your registered login email address.
 - Enter the code in the final submission dialog to authenticate the application.
 2. **Compliance Review:**
 - Your profile enters the **Under Compliance Review** stage.
 - Profile inputs are temporarily locked against edits while compliance officers confirm your organization credentials and representative authority.
 3. **Activation & Access:**
 - **Approved:** Once verified, you receive notification that your institutional account is active. Your buyer dashboard unlocks immediately, enabling you to float tenders, publish direct purchase requests, and connect with verified local MSMEs.
 - **Clarifications Needed:** If additional documentation or mandate letters are needed, you will receive an alert with specific instructions to upload updated files.
-

6. Buyer Pre-Submission Checklist

Review this checklist to ensure a swift, seamless submission:

- ☐ Official organization email address confirmed and accessible for security passcodes
- ☐ Active 10-digit Indian mobile number on hand

- ☐ Strong password created (minimum 12 characters with letters, numbers, and symbols)
 - ☐ Legal Organization Name and Sector / Business Type identified
 - ☐ Organization PAN card on hand
 - ☐ Registered office address ready with valid 6-digit PIN code
 - ☐ Active GSTIN on hand (optional, recommended for instantaneous address auto-fill)
 - ☐ Representative legal name, functional designation, and department identified
 - ☐ At least one target procurement category selected
 - ☐ Annual estimated procurement budget bracket selected
 - ☐ At least one preferred procurement mechanism selected
 - ☐ Organization PAN card scanned and ready (PDF/JPG/PNG under 10 MB)
 - ☐ Organization Registration / Incorporation Certificate scanned and ready (under 10 MB)

-

7. Important Notes

- **GST Auto-Fill Efficiency:** Entering your 15-character GSTIN on the organization screen and clicking "Verify GST" automatically pulls and verifies your legal name, registered address, and state/district from official records, saving manual data entry.
- **Official Email Recommendation:** Registering with an official corporate or departmental domain email (e.g. @company.com or @gov.in) ensures faster identity validation during administrative review.
- **Multiple Department Users:** Additional procurement officers and tender evaluators can be added to your institutional organization profile once the primary account is verified and approved.

- **Zero Onboarding Fees:** Institutional registration and supplier discovery on the JsgSmile MSME Portal are completely free of charge for buyers.
